

March Kanata Skating Club

PRE-SCHOOL 2010-2011 – REGISTRATION

This year the March Kanata Skating Club (MKSC) will be offering a fall and winter pre-school program.

Skaters will be taught basic skating fundamentals with a focus on continuous movement and creative play with music. A maximum skater to coach ratio of 10:1 per group provides a quality learning environment. A badge and ribbon system teaches a progression of skills from standing on their own to being able to skate forwards, backwards, stop, glide on one foot etc. The classes are 50 minutes long.

It is mandatory for all children to wear **CSA approved hockey helmets.**

Parents/guardians must remain in the area during their skater's lessons.

Missed sessions cannot be made up or substituted.
