

MARCH KANATA SKATING CLUB

Spring NEWSLETTER

April 2004

President's Message - Laurie Chatigny

WOW!! In a word, that sums up my experience as President this year. This has been an amazing year and one we can all be proud of. It has been a year of firsts. For the first time in club history, March Kanata hosted a very unique skating competition, the Skate Canada Eastern Ontario Special Olympics Regional Invitational Skating Competition. The event was a great success and it was a heart-warming experience to see the eyes of competitors light up at the sheer joy of participation, no matter how they placed in the end.

This year's annual Club Competition brought a similar feeling to Mlacak ice. No matter how you look at it, it is always the skaters who make competitions a success and our skaters went out and put their heart into every step on the ice, making for a very fun day.

This was also the first year working within an amalgamated City of Ottawa and dealing with the many new challenges this presented in our requests for ice time. We had unexpected cancellations and test day re-scheduling, but the hard work and persistence of executive members prevailed and everything worked out in the end.

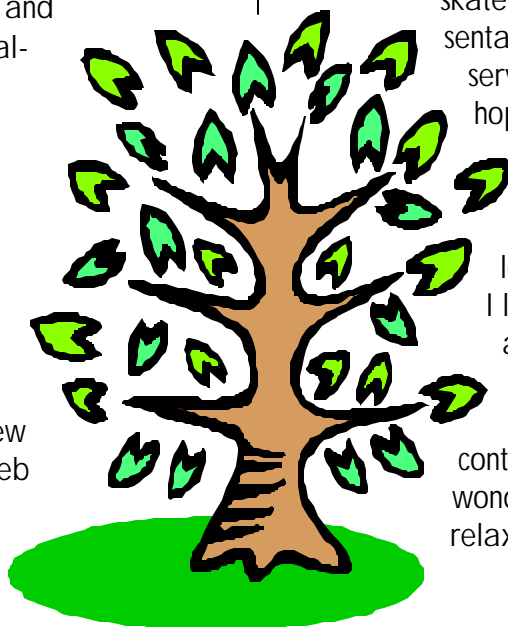

Another first this year is our new March Kanata Skating Club web site. We hope this site will help simplify our registration process and eliminate some of

the administrative work and phone calls to our information line. If you have a chance, please visit the web site at: www.marchkanataskating-club.com.

Lastly, for the first time in club history, the president was a CanSkate parent. Along with my strong skating background, one of the reasons I agreed to take on this job was I knew there were 18 exceptional Board members to work with - each bringing their individual experience and qualifications to their jobs. They definitely did not let me down. I want to thank all the Board members for their hard work this year and for their commitment to making March Kanata a great place to skate.

Please be sure to join us at the Annual General Meeting, to be held on Thursday, April 29, 2004 in Halls C & D at the Mlacak Centre. It is here we will celebrate the achievements of our skaters with the annual award presentations. Refreshments will be served after the meeting, so I hope you can make it.

I want to thank you, the members, for the privilege of leading such a wonderful club. I look forward to seeing you again next year. As always, if you have any questions or comments, please feel free to contact me personally. Have a wonderful, safe and relaxing summer holiday.

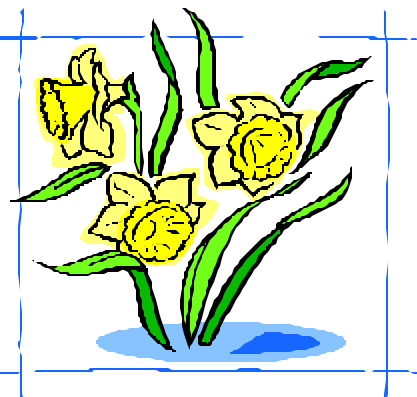

March Kanata Quick Facts....

This club is run solely with parent volunteers. We have no office or paid administrative staff.

The Annual General Meeting will be held on April 29, 2004 at 7:00pm at the Mlacak Centre.

Recreational Membership - CanSkate

Congratulations go out to all of the CanSkate children this year. Your skating accomplishments have been tremendous. We have received a great deal of feedback from parents, coaches and CanSkate coordinators regarding the progress of the children. We would like to add that your feedback is very important to us as it

helps us improve our programs. All of the individuals organizing the CanSkate programs are volunteers and are learning, therefore, your comments help us focus on the priorities while dealing with the limited resources available. Please keep your great ideas coming!

A very special thank you needs to go to Liliane Marois and Cindy McCabe for their significant roles in coordinating the CanSkate program this year.

In addition, the CanSkate administrators, Alistair Hall, Karla Glajch, Geraldine Mahood, Donna Burlock, and Donna Read did a phenomenal job keeping each CanSkate hour organized, on a multitude of levels. It is clear that the combined efforts and support of everyone involved at the club has contributed to the outcomes we are seeing in our skaters.

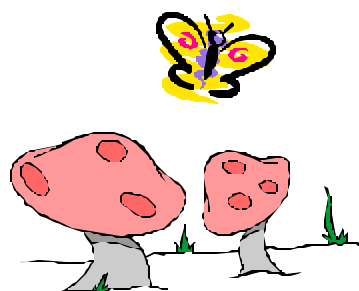

Also, a special thanks goes out to the professional coaches and program assistants for their dedication to the children. Their commitment through the long season is much appreciated.

The **CanSkate PRE-REGISTRATION** will take place at the John Mlacak Centre on March 31, 2004 from 5:00 p.m. to 7:00 p.m. for all skaters currently enrolled in our skating programs and their siblings. We look forward to seeing you there.

A final note, please join us at our Annual General Meeting, which will take place on Thursday, April 29, starting at 7 p.m. in Halls C & D upstairs at the Mlacak Centre. All CanSkaters who achieved Badge 6 this season will receive a special gift from the club for their achievements, so don't miss it!

Take care, have a great spring and summer. Hope to see you in the fall.

Summer Fun with Summer Skate 2004

The Kanata Summer Skate program has been renamed West Ottawa Summer Skate program to reflect the addition of the Stittsville and Richmond Skating Clubs to our joint venture with the Glen Cairn Skating Club. The final touches are being completed to officially mark our new partnership. In the last three years the Kanata Summer Skate program has been run at a loss and although our losses were marginal in 2003 we are reviewing every aspect of the program to ensure a successful season.

The West Ottawa Summer Skate program will be held on Mondays at the Goulbourn arena in Stittsville and at the Kanata Recreation Complex Tuesday to Friday and will run June 28th to August 13th. Mondays and Fridays will be compressed to four hours offering two-two hour sessions of open ice. Registrations forms are now available from your coach or from Linda Albert your the summer skate representative. Skaters are encouraged to return their application forms well in advance of the cut off date of May 15th, as the committee will cancel ice based on the responses received to that date. All skaters will receive a confirmation letter by mid June with their skating schedule. If you have any special requests, please indicate this by attaching it to the form.

I would like to thank all skaters and parents who took the time to complete the Summer Skate survey. Over 50% of the surveys were returned which has helped us in our decision to support the program for another year. The results reflected that most of you want to participate in summer skate because you love to skate and you wish to maintain or develop your skating skills. Stretching and dance were the most favourite off-ice programs. The most popular skating days were Thursdays and Tuesday with Fridays being the least favorite day.

Our message phone line is 860-1532, if you need further information feel free to leave us a message and someone will be in touch.

Happy skating!

Jackie Vos

Farewell to some MKSC Coaches

One of the great things about MKSC is the dedication of our coaches. Many of them put in a tremendous amount of time at the rink teaching CanSkate and StarSkate as well as hours at home preparing lessons, listening to music for their skaters and choreographing programs. It is with regret that we have to say goodbye to some of these wonderful people this year - Micheline Metcalfe, Lisa Ross and Chantal Cappiello. You will be missed!

Test Membership

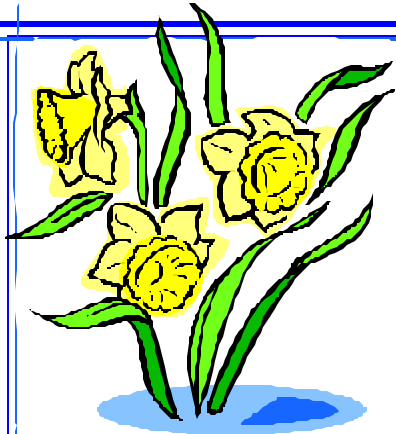

Registrations for the Test stream for the 2004-2004 season will be processed in the summer as in past years on a first come first serve basis. Registration Packages will be mailed to all current test skaters late June for returns in August. Make sure that you look for your package and if you have not received it by mid July that you inform us on the club's phone line at 860-1532.

I would like to thank all those you have had the opportunity to play music for our skaters this past season and especially our music coordinators. This year's coordinators were Danuta Suwalska for Juniors, Marie Serak for Intermediates and Jill Magnussen for Seniors. If you are interested in volunteering a little of your time to the club please consider being a music coordinator for the next season.

I would also like to thank Paul Spiegelberg for taking the time to print out a large portion of the Skate Canada membership cards. Skate Canada members can also print out their own cards if lost and check their test levels online. If you go to the Skate Canada website, under Member's Login on the top bar, you can type in your 10 digit Skate Canada number as your 'Login User ID' and your last name as your password. If your SC# has zeros at the beginning, make sure to type these in. Go to 'Personal Profile' and at the very bottom of the page, you should see three buttons. You can check test levels and print your membership card from this page. The

test levels on the membership card replace Skate Canada's old practice of sending a small card every time a test was passed. If you have any questions about this process, feel free to contact me at eileenbancroft@rogers.com.

All club members are encouraged to attend the Annual General Meeting on April 29/04 at 7:00 p.m. to review this year's activities and to participate in the election of your new executive. A family with one skater in the club is entitled to one vote. A family with two or more skaters in the club shall have a maximum of two votes. For any further information concerning the nomination process or the AGM, please contact Laurie Chatigny at 599-3415 or email paulandlauriec@rogers.com.

Fundraising

We had a successful year with all our fundraising projects at MKSC. A big thank you to everyone for their generous support of our ventures - 2003 Skate & Dress Exchange, 2004 Skate Canada calendars, Usborne books, MKSC Club Competition Day, Impromptu Skate Dress Exchange, Dec., 2003.

I would like to express my sincere appreciation to parents and skaters who volunteered their time and resources at our two main events, the Skate & Dress Exchange and MKSC Club Competition. Thanks, also, to other parents and members of the Executive, who have kindly provided ideas and assistance throughout the year, thus facilitating my second term at fundraising for MKSC.

It is, however, time for me to say goodbye as the Fundraising Chair on the MKSC Executive. Family and work commitments preclude consideration of another term on the Executive. It has been truly enjoyable and challenging to have been responsible for two successful years of fundraising at MKSC. There are many generous, supportive parent volunteers at this Club, and it has been a pleasure to work with each and every one. Last but not least, we also have some eager skaters who like to help with various fundraisers. May there be continued success at fundraising at MKSC!

Program Assistants

The Club would like to thank all of this year's program assistants for their enthusiasm and commitment in helping with the Can Skate Program. We all appreciate your efforts in encouraging our young skaters! We hope that many of

you will return as PA's next year.

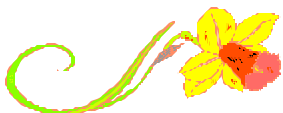

Prospective Program Assistants:

- Are you at least 12 years old?
- Have you passed the Preliminary Free Skate Test?
- Are you available to coach at least one hour per week on Wed, Thur, or Sat?
- Are you willing to share your love of skating with skaters in the Can Skate Program?

All program assistants attend a training session in the fall which is run by our professional coaches. After completing an initial 25 volunteer hours, the program assistants earn credits which can be used towards skating expenses such as ice time, coaching fees or test fees. Alternately, program assistants can choose to have their hours count towards their high school community service requirements.

The club is recruiting assistants for the 2004-2005 season. If you think you may be interested or require more info please contact Debbie Kirkland at 599-6415 or e-mail jdkirk@magma.ca

Debbie Kirkland

Skater Development

Our club pays a volunteer skater development levy that allows our skaters to attend Eastern Ontario Section sponsored clinics held each October and February. This year many of our skaters were able to benefit from on ice instruction from Jason Denomee and Steven Cousins.

A popular performance night was conducted in April with a Skate Canada Judge providing written evaluations to all those who requested. Again this year, March-Kanata subsidized Fall and Winter off-ice programs for our skaters to assist in increasing stamina, endurance and flexibility. This year we held Kickboxing and Conditioning classes that proved to be popular with our skaters.

Be on the lookout for new classes in our off-ice program this fall.

Linda Albert

Everyone is invited to attend the AGM on Thursday, April 29th for the presentation of the Skate Canada badges.

These badges are given to any skater who has completed the level in any of the disciplines during the year.

Check out the new March Kanata Skating Club web site!

COMPETITION CORNER

March Kanata had many skaters who were successful in competitions throughout the 2003/04 season. It is important that our records are accurate for presenting awards at the A.G.M. Listed below are the skaters who placed 1st - 4th at competitions during this skating year. To these skaters we award points according to their placement. This enables us to select the winners for this year's Achievement Awards. If you see any errors or omissions, let Linda Albert know by sending her an email at lgalbert@magma.ca or leaving a note in the music room.

Club Competition

December 13, 2003 was the date for our 32st Annual Club Competition. Over 55 of our Star skaters were entered in more than 25 different events, some skaters entering as many as 6 or 7 different events. Fitting costume changes into the tight schedule added to the fun and excitement of the day.

We had 14 CanSkate/CanTest skaters participate in this fun and friendly competition. What a great opportunity to present a program full of elements and movements that they have learned in CanSkate. We hope to see these CanSkaters move up to join the fun with the Star skaters at next year's Club

Competition. Our coaches did a masterful job preparing these young skaters for this competition so early in the season.

Thank you very much to all the committee members and volunteers who were so generous with their time and helped provide a fun and rewarding experience for our skaters.

March Kanata skaters participated in several competitions around the region. We are very proud of all of them.

Congratulations to all of our skaters! We look forward to a new competitive season beginning in the fall.

**Eastern Ontario Section of Skate Canada Hosted Competitions****Canadian Sectionals Eastern Ontario Championships (Sectionals) - For competitive skaters**

At Sectionals, skaters may have to skate in a flight and then possibly a semi final and a final within a three day period. Skaters who place at Sectionals go on to compete in Divisionals; if they place at Divisionals, they go on to Canadians.

Eastern Ontario Section Winter Invitational – Open to test and competitive skaters.

Eastern Ontario Section Invitational Competition (EOSIC) – Open to test skaters and competitive skaters who did not compete in Sectionals. This year it was held in Belleville. At EOSIC, with so many skaters competing, skaters usually have to skate in a flight then possibly a semi final and a final within three days. The top three skaters in each event then represent the Eastern Ontario Section at the **All Ontario Inter Club Competition**.
